America**
*Education • Research
Preservation • Design*

Founded in 1973, **Costume Society of America (CSA)** is devoted to the study and appreciation of dress and appearance. We are a varied group of professionals and informed enthusiasts from museums, libraries, theaters, academia, apparel, merchandising, private collections, re-enactment organizations, and independent scholarship. CSA members participate in regional events and national symposia, and they contribute to and benefit from our biannual journal *Dress* and monthly electronic newsletter *CSA E-News*. CSA promotes personal connections and collegial discovery about clothing, fashion, and costume.
